Membership Cards: Members must carry their membership card to gain access into the Club. Staff will be randomly checking cards or visitor passes, so please don't be offended if this occurs.

Closing Times

Whilst our Club Liquor license has designated hours of trade, the bar closing times may be varied by the Manager on duty. Several factors are taken into consideration before a decision is made to close earlier than the stated licensed closing time.

If any Club member would like to contribute an article or any suggestions in the Weekly Newsletter' Please submit for consideration.
